

DHEERAJ KRISHNA RAO CH

UI Developer

Passionate UI Developer seeking an opportunity in an organization with creativity and forward-thinking. I crave an environment that empowers autonomy and celebrates bold initiatives, where I can wholeheartedly merge my ideas and actions to propel the company towards its vision. As a catalyst for personal growth, I aspire to leave a mark by leveraging my technical skills and using my innovation.

WORK EXPERIENCE

Entrepreneur :

- Started a Fitness Studio in the name of CMR Fitness Studio in 2019 and ran it till 2021
- Got into Crypto Trading in 2020 till 2021 along with advising fellow peers regarding the risks involving the trading.
- Started a Unique Café in the name of BnB Café 2021 till 2022

Freelancing :

- Started a Freelancing Team in the name of BnB infotech in 2022 and successfully running it till now with the members consisting Full-Stack Developers, Web Designers, Automation Developers, Content Creators and Digital Marketing Team.

Freelancing Projects :

- https://udyaa.com/udyaatechnology_new/
The first project I secured by interacting with a Person through a 3rd party person and oversaw the project while being the UI developer by using HTML, CSS and JavaScript.
- <https://chintoosnamkeen.com/>
An FMCG project which I got by interacting with the client and researched on the company while overseeing the project while being the UI developer by using HTML, CSS and JavaScript.
- Web Scrapping Project with the Data Size of 500 TB+ from a Certain Mid-Tier Company. Created the Demos for them, which impressed them and offered to invest 200k Rs initially along with their inhouse 15 PCs along with 2 brand laptops and a office. Declined the project due to the risk.
- Helped in Developing a WordPress website along with writing the entire content for a Friend.
- Currently working on Two Websites.
